

INDIVIDUALIZED EDUCATION PLAN (IEP) TEMPLATE

(For Teacher Mini Project)

This IEP is designed to help teachers think intentionally about one learner and plan realistic, supportive strategies that promote participation, growth, and dignity in the classroom.

SECTION 1: LEARNER INFORMATION

- Learner's Name: _____
- Age: _____
- Class/Grade: _____
- Gender (Optional): _____
- School: _____
- Date of IEP Creation: _____
- Teacher's Name: _____

Is this learner:

- ☐ Real learner
☐ Fictional learner

SECTION 2: IDENTIFIED AREA OF NEED

Primary Area of Need (Tick one or more):

- ☐ Autism Spectrum Disorder (ASD)
☐ ADHD
☐ Dyslexia
☐ Dysgraphia
☐ Intellectual Disability
☐ Sensory Impairment
☐ Social, Emotional & Mental Health (SEMH)
☐ Other: _____

Brief description of the learner's main challenges in class:
(What makes learning difficult for this child?)

SECTION 3: LEARNER STRENGTHS

What does this learner do well?

(Think beyond academics – personality, creativity, effort, interests, behaviour, social skills)

- Strength 1: _____
- Strength 2: _____
- Strength 3: _____
- Strength 4: _____

How can these strengths be used to support learning?

SECTION 4: BARRIERS TO LEARNING

What barriers prevent full participation?

Tick all that apply:

- ☐ Attention and focus
- ☐ Reading
- ☐ Writing
- ☐ Emotional regulation
- ☐ Sensory overload
- ☐ Transitions and routines
- ☐ Social interaction
- ☐ Memory and processing
- ☐ Following instructions
- ☐ Anxiety or fear of failure
- ☐ Behavioural regulation

Describe how these barriers appear in your classroom:

SECTION 5: LEARNING GOALS

Set 2–3 realistic goals for this learner. These are not academic scores but participation and growth goals.

Goal 1:

Goal 2:

Goal 3:

SECTION 6: CLASSROOM ADJUSTMENTS & STRATEGIES

What will you change in your classroom to support this learner?

A. Engagement (Motivation & Emotional Safety)

Examples: routines, visual schedules, choices, movement breaks

- Strategy 1: _____
- Strategy 2: _____

B. Representation (How information is presented)

Examples: visuals, audio, demonstrations, simplified language

- Strategy 1: _____
- Strategy 2: _____

C. Action & Expression (How learner shows understanding)

Examples: oral responses, drawings, templates, typing

- Strategy 1: _____
- Strategy 2: _____

SECTION 7: BEHAVIOUR SUPPORT PLAN

What usually triggers challenging behaviour?

What is the likely unmet need behind the behaviour?

How will you respond compassionately?

- Calm strategy: _____
- De-escalation strategy: _____
- Reassurance strategy: _____

What will you avoid doing?

SECTION 8: ASSESSMENT ADJUSTMENTS

How will this learner show understanding?

- ☐ Oral responses
- ☐ Visual work
- ☐ Supported writing
- ☐ Extra time
- ☐ Reduced writing load
- ☐ Peer support
- ☐ Other: _____

Describe:

SECTION 9: COLLABORATION PLAN

Who will you collaborate with?

- ☐ Parent/Caregiver
- ☐ School Counselor
- ☐ Head Teacher
- ☐ Special Educator
- ☐ Other: _____

How will you start the conversation?

“Let’s work together to support _____ by...”

What information would you ask from caregivers?

SECTION 10: MONITORING & REVIEW

How will you know the plan is working?

- ☐ Improved participation
- ☐ Reduced distress
- ☐ Increased engagement
- ☐ Better confidence
- ☐ Fewer behavioural incidents

How often will you review this plan?

- ☐ Weekly
- ☐ Bi-weekly
- ☐ Monthly

SECTION 11: TEACHER WELLBEING BOUNDARY

What will you stop carrying alone?

Who will support you when it becomes overwhelming?

What habit will help protect your energy?

- ☐ Asking for help
- ☐ Using routines
- ☐ Emotional boundaries
- ☐ Taking breaks
- ☐ Reflection

SECTION 12: FINAL REFLECTION

Complete this sentence:

“This IEP reminds me that inclusion is about...

”
